Come by the UltimateBucketMouth booth and get an insurance policy for your next fishing trip. There is nothing more disappointing than busting the tip on your favorite fishing rod when you are out on the water catching fish. The Grip Tip can put that fishing rod right back into fish catching action in seconds. Most of us don't have an unlimited supply of quality fishing rods so making sure you can keep that rod in use will keep you happy and fishing.

**“The Grip Tip is the best insurance policy for
your next fishing adventure”**

**The Grip Tip has 5 colors to choose from:
Glow in the Dark, Mahogany, Graphite, Olive Drab, Black**
